

Activities

Archery—learn how to properly shoot a bow and arrow

Gun Safety—learn gun safety, how to shoot safely

IWLA—learn about Izaak Walton and what the Izaak Walton does to preserve our natural resources

Canoeing—learn how to paddle a canoe as you go on a canoe trip with your group.

Recycle, Reduce, Reuse—bring an old t-shirt for a craft project that will turn it into a useful item.

First Aid—hang with our nurses and learn about first aid.

Field Day—compete with your group in fun field day activities

Fishing—learn how to assemble your rod and reel, tie on your hook and bobber, then get ready to catch fish in our pond. All fish are catch and release.

Slip and Slide—spend an afternoon slipping and sliding.

Internet Safety—learn what is appropriate to post on facebook and how to keep safe while surfing the internet.
